Tier 2 2nd grade Reading

This week we read “The Lion and the Mouse”, “All About Boats” and “The Three Billy Goats”. We worked on writing two syllable words. We continued to use our poetry books to help us with breaking down words. We reviewed the r-controlled vowels.

Tier 3 1st grade Math

We are working on number patterns. We practiced counting forward and back from a variety of numbers. We counted by 2's, 5's and 10's.

Continue to practice working on addition and subtraction facts at home!
