Ide, Principal——Prairieview, Principal——Lakeview, Principal

The Board of Education meets regularly at Prairieview School on the 2nd and 4th Tuesday of each month beginning at 7:00 p.m. At these meetings, the business of the school district is conducted. It is important to note that School Board meetings are not public meetings, but meetings held in public. This is an important distinction in that the Board of Education conducts its business in the public eye, but is not a public meeting where the public can take part in the actual meeting. Public participation at Board meetings is solely at the discretion of the Board of Education. There is a time at every meeting for members of the public to address the Board of Education regarding issues or concerns. While the Board may not respond to each concern at the meeting the Board will direct the appropriate person to respond to these concerns.
