

**CATCH THE READING BUG  
LAKEVIEW SUMMER READING PROGRAM  
2008**

**First Time Ever!** Join Miss Hagensee and Mrs. Warkentien for the first ever Lakeview Summer Reading Program. If you like to read or are interested in earning prizes this summer, read on.

**THE READING PROGRAM**

Students are challenged to read 1-5 books from their grade level list and complete an online report form (print forms can also be collected in the IMC) to earn prizes. Fill out the book report form carefully following the directions on the form. Correct spelling and use of capital letters is expected.

Completed book reports must be turned in before Labor Day to count for prizes. Follow the directions at the bottom of the report form for turning in completed reports.

Prizes will be awarded after Labor Day during the IMC Orientation program. Prize #1 for the first book report is a special bookmark. Prize #2 for the second or third report is a choice among several prizes. Prize #3 for the fourth or fifth report will be announced in the fall.

All your hard work this summer will continue to be appreciated throughout the school year. Your reports will be gathered in binders for display in the IMC during the 2008-2009 school year.

**BOOK DISCUSSIONS**

In addition, Miss Hagensee and Mrs. Warkentien would like to share opinions with you about books in the Lakeview collection. Check out our Summer Reading Blogs and join the discussion. We'd like to talk about a different book each week.

## **WORKING TOGETHER**

Have you ever wanted to write your own Accelerated Reader quiz? OR Do you think you can write a better blurb (a short publicity note about the book to grab readers) to publish on the back of a paperback book? This summer you will have your chance.

Join our AR or Publishers wikis and help us create. We will start a new book each week or you can start one of your own. Other students can add or edit any book started. The only restriction is that the book must be in the Lakeview IMC collection. (Don't forget to check the I.P.A.C.)

**Monitoring:** All wikis entries are monitored by Miss Hagensee and Mrs. Warkentien for suitability, spelling, and grammar.

**CATCH THE READING BUG**

**AND**

**KEEP READING THIS SUMMER**

**All information about Summer Reading and Summer Check-out are linked to the Lakeview IMC webpage.**
