

Everything you want to know about the.....

Prairieview Choir

Who may join? Any interested singer in grades 4-5. There is no audition required.

When does choir meet? Fourth and Fifth grade choir meets in the morning on Mondays & Wednesdays from 7:00-7:45AM. **When Beginning Band starts choir will meet on Mondays after school from 2:30-3:15 PM and Wednesday mornings from 7:00-7:45AM.** Singers must be dropped off and picked up at the Prairieview student drop off on the east side of the building. Students arriving after assigned time will not be allowed in the building till classes begin for the day. Choir members must have reliable transportation or be in the BACC Program. Carpooling is STRONGLY recommended!!!

Can my brother/sister stay for choir? Only enrolled choir members may attend.

What if I miss a day of choir? Attendance is taken at each rehearsal. In order to have a successful choir, good attendance is encouraged. **Having 3 absences will result in your child being dismissed from the group.** When students miss choir, they miss learning the material necessary for their performance. Because both choirs meet only twice a week, please avoid scheduling appointments on choir days. If your child has an excused absence from school, he or she **will not** be penalized for missing choir rehearsal. We have two performance dates, December 12th for the Holiday Concert and May 14th for the Spring Concert.

What if I misbehave during choir rehearsals or performances? The Prairieview choirs are representatives of our school. Choir is an extracurricular activity, so excellent behavior is expected. Students will be expected to follow school and music classroom rules. **Remember Character Counts!!!**

How will I receive information regarding chorus activities and concerts? Periodically, I publish a choir blog on our music website to keep you informed.

We will have two performance dates, December 12th and May 14th for the winter and spring concerts. Please remember that for our choir to be at its best, **all singers depend on each other for the best performance.**

I hope you enjoy singing in our choir!!!!

Sincerely,

Miss Wyse

CHOIR CONTRACT

Please return only this page

Student's name _____ Homeroom teacher _____

Both student and parent must sign this contract and return before the student can attend choir rehearsals.

My child and I agree to the rules and requirements for being a Prairieview choir member. We understand that choir membership is a privilege that may be lost if the student fails to attend regularly, is not at rehearsal on time, or if his or her behavior becomes a problem during rehearsals and performances. We accept these requirements and rules as a condition of membership.
