Reading

We will be reading a selection called Moses Goes to a Concert. It is about a deaf boy and his classmates who attend a concert. We will talk about summarizing as we read. We'll also learn about communicating with sign language. We will be learning about adjectives this week.

Last Book Order of the Year

If you'd like to order Scholastic books, please return the order by Monday, May 14. You may also order online (and pay by c/c) by using our class code - **GVD6H**.

Math

The students did really well on our chapter this week, 3 digit subtraction. We will start with counting back by hundreds to subtract multiples of 100, then subtract with and without regrouping. We'll review and take a chapter test at the end of the week.
