DISTRICT PTO MEETING MINUTES FOR
November 19, 2009

In attendance: Kim Liles, Paul Windsor, Janeise Schultz, Julie Jones, Jill Hansen, Liane Raso, Lisa Blazeovich, Maureen Gibbons, Pam Topp

Meeting called to order 1:10 pm

Lisa motioned to approve October minutes, seconded by Julie.

Financials: Balance as of October 31, 2009. Inflows \$498.59, outflows \$100. The \$17,500 donated is not reflected in this months balance.

Magazine Drive: We need to find chair people for next years Magazine Drive soon. Julie Jones and Linda Vetter are chairing LV and they are ready to roll. PV and IDE looking for chairs. Julie is in charge of district.

Market Day: October made \$400.

District Eat Outs: Marty Wronkiewicz is chairperson. Buona Beef made \$357.

District Directory: Directories went out in electronic and hard copies.

District Fundraiser: Auction end, going to see what worked last year and go with those items that were successful and to come up with some new ideas. We talked about software we can purchase for \$400, it works like E-bay. We want to avoid complaints about e-mails and bids being late at the end when it gets crazy. Computer time stamps may be different, people questioning their last bid. Want to know if it would be something we would consider as an investment. We do make substantial amounts of money and something like an E-bay format would help. Social end, the date has been changed to Friday, March 5, 2010. Ticket price will be \$25 a person. The price will not change after the winter break, but if you purchase before you will be entered in a raffle to win \$100. The event is at Cornerstone and it is casual attire. The name of Paul Windsor's band can be misleading to those who aren't familiar with his music and think it is a formal affair. We will try to relay that info in the form going home.
