### Math

We will continue to work on adding and subtracting two digit numbers with no regrouping. That is our last chapter in Math. We will be practicing math facts with the students for the last couple of weeks. Keep working on those facts at home all summer. They will be ready for second grade if you do.

All library books are due on Monday, May 21<sup>st</sup>. The Woodridge and Indian Prairie Librarians will be at our school on Wednesday morning to talk about their summer reading programs. Hope your children will continue reading all summer long. The library reading program has incentives to keep them reading.

I sent home Six Flags tickets to the children who brought back the sheet required by Six Flags. They changed the requirements this year so not as many tickets were sent to us this year.

Next week we will have Partners/puzzles, Quiet Day, Rock and Roll Day, Sports Day-wear your favorite jersey/sport shirt, and Tip Toe Day.
