School-Level Finance

The Every Student Succeeds Act requires LEAs to report school-level expenditure data, beginning with School Year 18-19 data. LEAs are required to report actual personnel and non-personnel expenditures of both site-specific and district centralized expenditures. Expenditures are shown at the site level and must be disaggregated by source of funds (federal vs. state/local). These data are self-reported and may differ from AFR data.

Educator Measures
